

Financial Hub is a service portal to relay insurance related information to users. We are not insurance agents and we do not represent any insurance house or agency. All information provided are not meant for any commercial use or conduct nor any related transactions. Thus users are advised to use the information provided with proper discretion. Financial Hub will not be held responsible if the information on the portal is not updated, as users are strongly advised to obtain the full and detailed information of the required products or services from the respective insurance agency or houses.
